

**MEMBERSHIP**

## District / School Benefits and Pricing

School and district memberships come with special perks. In addition to our standard services, administrators and teachers in your school will have receive:

### Unlimited teacher accounts

No matter how large or small their classes are, all teachers have full-access at no extra charge.

### Access to advanced administrator tools

Administrators (or lead teachers) can access advanced reporting on all student scores and teacher account usage analytics.

### Telephone support

Need help? Administrators or teachers can call us any time and talk to a real person.

### Dedicated account manger

We'll assign an account manager who understands your school and your needs. He or she will be on-call to assist you by phone, text, or e-mail.

### Complimentary roster setup service

Simply upload a spreadsheet on our secure server and we'll set up all of your student and teacher accounts. You'll be up and running in no time.

### Complimentary video conference training for teachers

We'll host a 45-minute interactive, live video conference training for teachers and administrators at your school.

### Custom login page with your school's logo

Enjoy a customized user experience. Instead of logging in on the main page, students and teachers can log in securely on a special I Know It web page with your school's name and logo.
